For a Very Unique Gift Idea: Personalize Your Valentine's Day

If you are completely clueless this Valentine's Day, personalize a bottle of wine or champagne to help make this Valentine's Day special for you and your honey bun.

For newlyweds

Marriage is fresh and new and exciting. Send your spouse a special bottle of wine or champagne with a wedding or honeymoon photo.

For "old"lyweds

Your wife has threatened your life if you show up with flowers or chocolate one more time. If you don't want to be in the doghouse Valentine's Night then we suggest something a little more personal. You can include sweet (or not-so sweet) nick names and share special moments together over a bottle of your very own wine or champagne.

For any couple

To create special memories, send your loved one a bottle of personalized wine or champagne to make a magical moment.

Tip: If you are looking for a unique way to propose marriage (or any other big question you can think of) say it on a bottle of wine or champagne. So far our customers have had a 100% success rate with this method.

Are You a Member?

If you are a lucky member of the Wine of the Month Club, we hope that you have been enjoying your wine, and trust that you have been sharing them with your loved ones. If you have been selfishly savoring your favorite wines, now is the time to show your love and pour an extra glass or two for those wine lovers in your life.

**Valentine's Day
is on February 14th!**

Château Julien Wine Estate

History of Château Julien

In the late 1970's, Bob and Patty Brower set out to fulfill their dream. Originally from the East Coast, they had a passion for wine and admired the French hospitality they encountered while traveling in Europe. They saw potential in Monterey County as a quality wine growing region, and in 1982 began building what is now known as Château Julien Wine Estate in Carmel Valley, California.

Barrel Selected Wine

The Château Julien Barrel Selected label was introduced in 1998. These wines typically have mild tannins and forward fruit, making them extremely food-friendly and approachable upon release. While still produced from Monterey County grapes primarily from our Estate Vineyard, the grapes are ultimately managed for consistency and value in the vineyard. The Barrel Selected wines are aged in one to three year old French and American oak barrels, and have been awarded numerous value accolades over the years.
